

Presentations and Abstracts

Oral presentations

Duration up to 25 min. Posters Maximal size of the poster is 600 mm (height) and 700 mm (width). The abstract of the presentation (oral or poster) should be provided until 2011.11.20 by e-mail: rutjuod-at-gmail.com Requirements: Language - English.

Up to 2500 characters of unformatted text (TXT, OpenOffice or MSWord document). If you wish to add the image, attach it together. The image(s) should be mentioned in the text. The description of the image(s) should be added at the end of your document. If you will use formulas, please submit all the text in OpenOffice or MSWord format. We prefer vectorial graphics for images (eps or pdf). You can submit the bitmap image also. It should be at least 300 dpi jpeg, bmp, png, tiff or gif. Please add all files in one archive (for example: name_surname.zip).

The order of the abstract text:

- Title
- Authors (example: V. Surname, E. Surname, P. Pavardenytė and M. Smith)
- Addresses of institutions (example: A. Goštauto str. 12, 01108 Vilnius, Lithuania)

- E-mail
- Scientific field (example: physics, chemistry, biology)
- TEXT

- References
- Captions of your images (if you use images)
